

## CURRICULUM VITAE

### A. Personal Information:

Name in Full	Lynda (Lyndee) M. Knox, Ph.D.
Business Address	Keck School of Medicine of the University of Southern California Department of Family Medicine Division of Research, Evaluation, and Grants 1420 San Pablo Street Parkview Medical Building, B205 Los Angeles, CA 90033-5364
Business Telephone	(626) 457-4220
Facsimile	(626) 457-5858
E-mail Address	<a href="mailto:knox@usc.edu">knox@usc.edu</a>
Home Address	3000 East 2 <sup>nd</sup> Street Long Beach, CA 90803-5163
Home Telephone	(562) 856-9254
Place of Birth	USA
Citizenship	USA
Languages	English Spanish (Intermediate)

### B. Education:

College or University	University of Texas at Austin, B.A. Plan II Liberal Arts Honors Program, 1985
Advanced Degrees	University of Texas at Austin, Ph.D. School Psychology, 1998
Internship	Austin Child Guidance Center, 1997
Fellowships	US Department of Education, University of Texas Department of Communication, Early Childhood Intervention Training Fellowship, 1993 Hogg Foundation for Mental Health, Program Evaluation Fellow, 1993 American Psychological Association, National School Psychology Policy Intern, 1995 Harvard University, Evaluation Research Fellow, 1999 (Declined to accept USC faculty appointment) Southern California Studies Center Junior Faculty Fellow, 2000

**C. Professional Background:**

## Academic Appointments

Assistant Professor of Family Medicine, University of Southern California (1999-present)  
Director, Division of Research, Evaluation, & Grants, Department of Family Medicine,  
University of Southern California (1999-present)

## Other employment

Research Assistant, Hogg Foundation for Mental Health, Austin, Texas (1994-1998)  
Director of Evaluation, San Antonio Alternative Housing (1995-1998)  
Director of Evaluation, Texas Heritage Programs (1996-1999)

**D. Society/Professional Affiliations:**

## National

American Psychological Association  
American Public Health Association  
North American Primary Care Research Group  
Society for Teachers of Family Medicine

## International

WONCA International Congress for Family Medicine

**E. Consultantships:**

## International

World Health Organization, Injury Prevention Section, Reviewer for TEACH-VIP, 2004

## National

The Colorado Trust, Strategic Planning Initiative (2001)  
American Academy of Pediatrics – Connected Kids (2002-03)  
HELP network. Firearm injury prevention curriculum for healthcare professionals (2005-present)

## Southern California

Latino Health Access-Advisory Board (1999-present)  
CorrectHelp-Board of Directors (2002)  
National Health Foundation-Board of Directors (2004-present)

## Other

Austin Child Guidance Center (1996-1997)  
Southwestern Education Development Corporation, Austin, Texas (1997-1998)

**F. Research Activities:**

## Major Areas of Research Interest

Youth and families in poverty; community-level effects of traditional interventions; community-based participatory research methods; practice-based research networks

## Current Research Interest

Involvement of health care sector in youth violence prevention

## Research Grants – Principal Investigator

- |    |  |           |
|----|--|-----------|
| 1. | Strategies for Replicating Successful Community Health Advisor Programs<br>Southern California Studies Center - Effort 10%<br>1999-2000  | \$7,000   |
| 2. | Researcher in Youth Violence Prevention to Assist the Medicine and Public<br>Health Unit of the AMA as Contractor - Effort 25%<br>Robert Wood Johnson Foundation/American Medical Association<br>2001  | \$10,000  |
| 3. | Southern California Developing Center of Academic Excellence for<br>Youth Violence Prevention - Effort 10%<br>Centers for Disease Control and Prevention<br>UC-Riverside<br>Grant No. #R49/CCR18589-01 (Subcontract)<br>09/30/2000 -09/29/2003 | \$274,929 |

#### Research Grants – Co-Principal Investigator/Investigator

- |    |   |          |
|----|---|----------|
| 1. | Evaluating the Impact of The Pacific AIDS Education Training Center's Low-Volume HIV Provider Training Program - Effort 2%<br>Health Resources & Services Administration<br>Award No. 4H4AHA00016-02<br>2000-2001 | \$10,000 |
| 2. | Developing a Tool to Assess Social Capital in Low-Income Communities Aspen Institute - Effort 20%<br>Aspen Institute, Latino Health Access<br>2001-2002   | \$44,000 |
| 3. | USC Center for Transdisciplinary Research on Energetics and Cancer - 5% Effort<br>NIH, NCI, U54 CA 16848<br>PI: Goran & Bernstein<br>2005-2010  | TBD      |

To establish a trans-disciplinary center to address the physiologic, metabolic, behavioral, genetic and environmental influences on obesity, metabolic health and cancer risk with a focus on minority children. The center supports 3 projects, support cores, training and pilot studies. Project 1 will compare 40 African American and 40 Hispanic adolescents for various metabolic parameters and then examine the effects of a 16-week strength training intervention.

#### Training Grants

- |    |  |           |
|----|--|-----------|
| 1. | USC Family Medicine Residency – Haven House - Effort 15%<br>Office of Statewide Health and Planning<br>Award No. 00-20538<br>PI: Norton, T<br>Developer/writer/project director: Knox, L.<br>2000-2002 | \$100,000 |
|----|--|-----------|

2. Academic administrative units in primary care - Effort 25% \$453,600  
Establishing the infrastructure for LANet PBRN  
Health Research and Service Administration  
Grant No. 1 D12 HP 00170-01  
PI: Hahn, R.  
Developer/Writer/Project Director: Knox, L.  
2002-2005
